SUMMARY

Detail-Oriented SAP Supervisor with 2.5 Years of Experience in Supply Chain Management

A highly skilled and dedicated professional with extensive expertise in supply chain operations, specializing in inventory management and process optimization. With 2.5 years of experience at Reliance Polyethylene Warehouse, I have demonstrated proficiency in utilizing SAP and MS Excel to analyze data, enhance operational efficiency, and drive strategic decision-making. My strong analytical capabilities, combined with a meticulous attention to detail, have enabled me to streamline workflows, improve inventory accuracy, and reduce operational costs. I excel in coordinating logistics, managing complex datasets, and implementing process improvements to achieve operational excellence. Known for my ability to collaborate effectively with cross-functional teams, I am committed to delivering measurable results and fostering continuous improvement in dynamic supply chain environments.
